Our Role

Shooting Stars Basketball Academy is an organization that provides leadership and mentoring through basketball. We pride ourselves in turning youngsters dreams into realities, whether it's making the junior high team, high school varsity, earning a college scholarship, or playing at the professional level.

Shooting Stars Basketball Academy has established itself as the elite training program for children of all ages who strive to reach their highest potential on and off the basketball court. Shooting Stars Basketball Academy is renowned for its high level of quality coaching, knowledge of the game, intensity, preparation, and discipline.

We believe that basketball is an extention of life. The trials & lessons in basketball can be helpful tools for the lessons of life. In today's society, children need the surroundings of good mentors and caring individuals that uplift our youth into adulthood.
